Bridge

STORAGE UNIT

Generated: 11/02/2026

Bridge storage unit with drawers has a contemporary look thanks to its horizontal lines with rounded corners: the mother of pearl lacquered version enhances its brilliance becoming a suitable element for contemporary rooms. The metal parts that cover the internal side of this storage unit represent the main characteristic of the structure and, together with the “open-book” marble top of the biggest size option, it conveys a sophisticated elegance feeling.
