Joss

COFFEE TABLE

Joss is a contemporary coffee table made of ash wood with artistic brass casting details, which enhance the natural expressiveness of solid wood through a simple, compact shape with soft lines and balanced proportions. Top and basement share the same wood, creating a continuous volume that highlights grain and warmth. The artistic brass casting detail at the base represent a distinctive feature of this collection.

Within HESSENTIA's living ambiences, ash Joss introduces a warm, natural and contemporary presence, engaging with refined interiors through the balance between shape and material.
