

Entirely obtained through bronze sand-casting technique, this elegant servetto table with an octagonal top is designed to complete each living area with style and functionality. This artisan technique gives to the surfaces of Kiki a suggestive and unique textured effect.

If the product is intended for **outdoor use**, it should be used exclusively in covered outdoor spaces protected from weather agents, such as verandas, porches, and covered terraces.

To preserve the aesthetic, functional, and material qualities of the products over time, weekly routine maintenance is highly recommended.

Furthermore, any food and drink residues, leaves, flowers, pollen, or bird droppings should be removed promptly to prevent prolonged contact with the surfaces from compromising the long-term preservation of the products.
