

The coffee tables of Lineup collection, available in many sizes, are characterized by a metal structure with linear design. The skillful manual method of metal engraving is inspired by the working techniques of Italian premium class jewelry. The essential and rigorous metal structure creates a harmonious contrast with the top, realized with a decorative finish composed of resins, coloured pigments and natural powders. Lineup coffee tables are also available with marble top or completely made of metal. Placed in a living area, they create extraordinary and unique reflections of light.
