Iconique

ARMCHAIR

“Iconique” is the name and maybe the most appropriate adjective to describe this metal armchair, which looks like a real timeless artwork. It is completely made of bronze, but despite the material, it offers unexpected comfort and enveloping feeling.

If the product is intended for **outdoor use**, it should be used exclusively in covered outdoor spaces protected from weather agents, such as verandas, porches, and covered terraces.
To preserve the aesthetic, functional, and material qualities of the products over time, weekly routine maintenance is highly recommended.
Furthermore, any food and drink residues, leaves, flowers, pollen, or bird droppings should be removed promptly to prevent prolonged contact with the surfaces from compromising the long-term preservation of the products.
