

Il letto Nova presenta testata e giroletto disponibili con rivestimento sia in pelle che in tessuto, sui quali sono ben visibili lavorazioni a ricamo in verticale alternate a cuciture in parallelo. Sono presenti inserti in metallo la cui forme richiamano altri pezzi della stessa collezione. Questo letto con testata allungata è realizzato con comodini integrati e sospesi grazie ad un profilo in metallo che nella parte superiore dispone di un sofisticato sistema di illuminazione Led.
