

La collezione di tavolini Overlap nasce inizialmente dal desiderio di conferire leggerezza ad un materiale tipicamente pesante come il marmo. Quattro incavi sul piano, distribuiti uno per lato, accolgono le gambe che sostengono il piano in marmo dalla forma rettangolare con angoli arrotondati. Un anello in metallo abbraccia le gambe donando ulteriore unicità a tutti i pezzi di questa collezione.

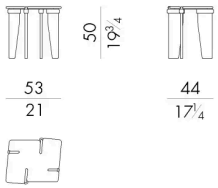

# Dimensioni

Generato: 19/04/2026

## OVERLAP. 4050 / MA

Tavolino

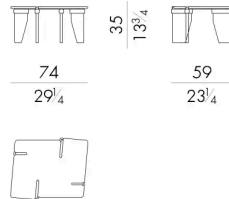

53 L x 44 P x 50 H cm

## OVERLAP. 4070 / A / MA

Tavolino
